Read the following:-

Extract of paragraph 3 of letter from M. Karamatullah Esq., I.C.S., Collector of South Kanara, No. Roc. A2-4629/42 (Confdl.,) dated 7th July 1942.-

Ref:- D.O. No. 119-M/42-1 dated 19-6-1942 from the Secretary to Government, Revenue Department.

3. My Revenue Divisional Officers have recommended the appointment of an additional clerk for each of the Divisional and Taluk offices. Besides this, the need for one additional clerk in the Collector's office to deal with prices control, the work being too heavy to be managed by the Jamabandi clerk, and another in the magisterial section to assist the Magisterial Head clerk in the war subjects in my office is keenly felt. Further the typewriting work in my office has increased so much that the existing staff feels incapable of attending to it promptly. Thus, there is need for extra clerical assistance in my office and those subordinate to me as detailed below:-

One lower division clerk for each of the three Revenue Divisional Offices.

One lower division clerk for each of the six taluk offices.

Two lower division clerks for the Collector's office.

One lower division typist for the Collector's office.

Total.- Eleven lower division clerks and one lower division typist.

*****

REFERENCE.

An extract of paragraph 3 of the Collector's letter cited above is submitted to the Government.

In the circumstances stated by the Collector, the Board requests that the Government may be pleased to sanction the employment of the additional staff as shown below for South Kanara district for a period of one year from the date of employment or until the end of the war, whichever is earlier.

(1) One lower division clerk for each of the 3 Revenue Divisional Officer's offices.

(2) One lower division clerk for each of the 6 taluk offices.

(3) Two lower division clerks for the Collector's office

& (4) One lower division typist for the Collector's office.

The expenditure will be debited to "25 General Administration - District Administration - Collectors and Magistrates - Sub Divisional Establishments and Taluk establishments - Pay of establishments - Voted or authorised" and a reappropriation or an application for additional allotment will be made in due course, if necessary.

The Collector does not explain what the staff in the divisional & taluk offices is to do. Presumably it is needed for war work, of which price control & food supplies are likely to be an important item, particularly on the West Coast which is a deficit area in food. The clerks in the divisional & taluk offices may be sanctioned for three months & the Collector asked to justify extension by statistics
